Vibrant Erskineville living is smart and modern in this freshly updated semi-detached residence. Behind its classic period facade is a light and airy dual-level home that has been tastefully enhanced to give it extra style and appeal, as well as providing a great space for low-maintenance entertaining. With the added bonus of a third W.C in the laundry room, this home is perfect for families and the astute investor. The well-presented property is now ready to move into plus it is very conveniently located less than 200m from King Street's shopping, dining, and entertainment scene. • Easycare floor plan features sleek tiles and crisp decor • Well-designed dual-storey layout with two bedrooms on each level • Skylit open-plan living space that connects easily to the outdoors • Level access to a paved patio overlooking a private rear garden • Quality stone kitchen includes a breakfast bar and gas cooktop • The upper-level bedrooms are fully carpeted and have built-ins • Short walk to Erskineville village, St Peters station and Sydney Park
