Welcome to one of the best apartments in Eden East. Perfectly positioned, with the highly sought after North Eastern aspect, it enjoys a fabulous corner position with a wrap around balcony, bathing you in stunning natural light. The heart of the home would have to be the stunning open plan kitchen/living/dining space. With floor to ceiling doors and windows expanding across both the North and Eastern aspects, a feeling of space is achieved, not normally felt in apartment living. Central to this space is the beautifully appointed gourmet kitchen. Stunning stone benchtops, a feature rangehood and fully equipped with state-of-the-art Gaggenau appliances and abundance of cupboard space makes cooking an absolute joy. The wrap around balcony becomes an extension of your living area, inviting you to embrace the outdoors. Views of the Empire games scoreboard make a spectacular backdrop in the evening, and enjoy sweeping views across Perry lakes estate to the North. A considered floor plan has allowed separation between the master suite and the secondary bedrooms. A luxurious mastersuite enjoys it's own private, north facing balcony, a perfect space to enjoy your morning coffee. The generous walk- through robe flows through into the stunning spacious ensuite. A seperate wing to the home offers a full laundry, study, and additional 2 generously proportioned bedrooms, bathroom with a seperate powderroom. All of this in an award winning complex that boasts 1800m² of world class facilities for you to entertain, relax in the spa, workout at the gym, take in a movie in your private theatre or show off your culinary skills with the pizza oven, commercial kitchen, multiple BBQ's or just order catering from the coffee shop below to dine in any of the garden settings. The property features 2 secure undercover car spaces and ample visitor parking. With its convenient location and contemporary design, this apartment is sure to impress. Don't miss out on the chance to make this property your own.
