Offers

This fabulous three bedroom two bathroom town home is located in a prime position within this modern secure complex and offers low maintenance living. Perched high on the north side of Buckland Hill it offers views out to the ocean and pine trees on our coastline. The home features spacious dining and living rooms with jarrah floorboards which continue up the staircase to the first floor landing. The natural light-filled dining and living areas connect to the large rear private courtyard through sliding glass doors. There is also a spacious tiled front courtyard with treetop views and ocean glimpses. The main bedroom with walk in robe and ensuite, plus the two additional bedrooms with ocean glimpses and built in robes, and bathroom, are all privately located upstairs. The home features reverse cycle air conditioning to the living areas and main bedroom, internal laundry, powder room, undercover parking, and storage. Resort living with lush tropical gardens and shared swimming pool and bbq areas. Enjoy the lifestyle offered !Council Rates: \$2605 p/aWater Rates: \$1335 p/aStrata levies: \$1076 p/qtr
