Light-filled apartment with liveable house-like design

This modern apartment benefits from an elevated position, abundant natural light and a prized north easterly aspect. A long house-like entrance hall flows through to a generous lounge/dining/kitchen area and out onto a sunny balcony for alfresco living and entertaining. The bedrooms are situated away from the living space for absolute peace and privacy, while a separate study is ideal for working from home.

The Arncliffe locale is convenient, just 10km from the CBD, minutes from the M5 and walking distance from three train stations. Enjoy a wide range of local restaurants, cafes and retail shops, as well as close proximity to vibrant Marrickville, Rockdale Plaza shopping hub, and Sydney's international and domestic airports. An exciting opportunity to obtain a liveable and luxury apartment in a central, well-connected area.
