Character and charm seamlessly blended with a stunning sleek, modern and spacious extension. All the character features you love - high ceilings, polished floorboards, open fireplaces, plus a spacious new extension with soaring ceilings, open plan design and blended indoor/outdoor living, coming together as a home brimming with history and personality.

Enjoying three spacious bedrooms, two sparkling bathrooms, separate additional lounge or media room, and a delightful entertainers' deck overlooking the pool. Ideally located in a quiet cul-de-sac with a park at one end and an easy stroll to shops, cafes, parks and schools. This is one of Mosman Park's finest character examples and is ready to enjoy.
